Hear My Cry

Dm A#

This road has never seemed so alone
This broken heart has yet to find a home
But You're there
And I know
Someday within Your hands
You'll hold my soul
Somewhere few and far between
How could I ever want somebody else
You're more than I could ever need
Ever want, ever see, ever know, ever believe
Ever love, ever dream, evermore
Just You and me
Somewhere few and far between
How could I ever want somebody else
You're more than I need
You're more than I could ever need
Your love is more than I need
Your love is more than I need
